### **Cantor Fitzgerald Selects Professional Capital Services, LLC as 401(k) Provider**

---

Philadelphia, Penn., October 31, 2006 — Professional Capital Services, LLC (“PCS”), an independent provider of daily valuation recordkeeping services to 401(k) plans, announced today that the 401(k) plan of Cantor Fitzgerald LP., a leading global financial services provider to institutional equity and fixed income markets, has adopted PCS’ ManagedPlan Program managed account platform engaging Brinker Capital to provide investment management and managed account services for Cantor’s \$90 million defined contribution plan. Grant Wenger of Horner, Townsend and Kent will deliver personalized investment education.

“We are very pleased to be selected to serve the employees of Cantor Fitzgerald, a premier financial services firm,” said Mark Klein, President of PCS. “We look forward to bringing Cantor plan participants the benefits of unbiased, institutional-quality investment choices, as well as first-rate record keeping through PCS” added John Ring, Managing Director of Retirement Plan Services with Brinker Capital.

Investment choices in the Cantor Fitzgerald plan will include six managed mutual fund portfolios from Brinker Capital’s successful Destinations program and a diverse selection of individual mutual funds. Cantor participants will have the ability and flexibility to utilize a managed account option as well individual fund options.

### **About Professional Capital Services**

Professional Capital Services, LLC (“PCS”) was founded by the tax and ERISA attorneys at Dilworth Paxson, LLP, a 75-year-old Philadelphia-based law firm, to provide sophisticated retirement programs for the corporate, professional and governmental market. PCS offers its complete retirement program, including investment advisory services, customized education materials, a robust plan and participant website, account recordkeeping, and all-inclusive plan administration services through advisory firms, broker-dealers, mutual fund companies, TPAs and CPAs.
